ST. PETER'S: 'A TAKE CARE SCHOOL: WHERE WE TAKE CARE OF OURSELVES, EACH OTHER, OUR WORLD AND OUR WORK'

We hope that you will
want to bring your child
to St. Peter's to join us
on the exciting educa-
tional journey we offer.

Last year we were
placed as Nottingham-
shire's top performing
school and out of the
17,000 schools in Eng-
land were placed 37th
for the progress chil-
dren made between 7
and 11 and 5th for the
average marks children
attained in their SAT's.

Ofsted has judged us as
outstanding in 2003,
2007 and now again in
April 2011.

However, there is so
much more to St. Peter's
than what even these
statements may tell you.

We want your child to
learn and grow in every-
way, not just discovering
who they are, but who
they can become.

We want to share it all
with you as well.

**Sport plays an
important role at
St. Peter's.**

Some of the sports we offer

Hockey
Cross Country
Football/Cricket
Lacrosse
Table Tennis
Netball/Tennis
Archery

ST. PETER'S: A PLACE OF OPPORTUNITY

We, like you, want your
child not just to become
academically successful
and capable of creative
thinking and action, we

also want them to enjoy
life to the full, discovering
all the activities that will
build their confidence and
enrich their lives.

Therefore, whether it be
sport, drama, music,
dance, art, ICT or the envi-
ronment, we want your
child to have the chance to
experience of them all.

ST. PETER'S: DIVERSE AND CARING

We aim to give all children, regardless of ability or background, the chance to participate and succeed. Support is given according to need at every level and in their end of year SAT's, for instance, all children made above average progress,

with those in the middle doing particularly well.

Our school (if we go back as far as grandparents) represents 20 different nationalities. Our ethos and culture is firmly based in the desire of Jesus that our children receive 'life in all its fullness', whilst we

respect all from other religions and with no religious belief. Our community is one defined by an ambition to be 'take care people' and we actively pursue this, helping pupils to develop into well balanced thinking citizens.

Before and After School Care

Our well established Before and After School Club properly looks after over 40 children a day between 7:45am and 6pm. Including in school holidays.

And at 11?

Most children move successfully on to the outstanding Toot Hill Academy whilst some also go to the Grantham Grammar Schools or on to Independent Education.

Why not contact us and arrange a visit, when the Head Teacher will be pleased to talk with you and show you around?
